THE DIRECTOR OF CENTRAL INTELLIGENCE

Office of the Director

11 July 1975

MEMORANDUM FOR:

Dr. John Foster

The President's Foreign Intelligence

Advisory Board

SUBJECT

25X1

NIE 11-3/8-75, Soviet Forces for

Intercontinental Conflict Through

1985

- 1. We have been advised of your views about NIE 11-3/8-74 expressed during three one-day sessions which you held during the week of 30 June to address technical issues of interest to policy makers. We would be grateful for your suggestions about how we can make the NIE on Soviet strategic programs more useful to policy makers. Suggestions at this time would be opportune since interagency working groups are in the early stages of preparing the several parts of NIE 11-3/8-75.
- 2. While we were apprised of some of the points you made during your recent meetings, the National Intelligence Officer for Strategic Programs, Mr. Howard Stoertz, was not present, and would like to discuss plans for NIE 11-3/8-75 with you. Mr. Stoertz will be returning from Geneva at the end of this month and, if possible, would like an appointment with you, during the last week of July or the first week in August. Howard would be accompanied by his Assistant,

Signed

George A. Carver, Jr.
Deputy for National Intelligence Officers
